Class descriptions:

H.I.I.T – high intensity interval training, body weight and weighted exercises to get your heart rate up in a short space of time! **Spin** – go at your own pace or allow the instructor to push you to the limit, keep burning calories even after you've left the gym! **Yoga** – stretch, relax and become one with our relaxing yoga sessions. **Pump** – use weighted barbells to work your cardiovascular system and muscles! **Step** – a high energy aerobic class is designed to challenge you while stepping to fun choreography! **XFit** – not your typical CrossFit class, we incorporate the general principals to give you a great workout and make you sweat! **Boxfit** – \$4 members/\$15 non members - throw on some gloves and raise the heart rate while learning proper technique, correct footwork and enjoy the social aspect boxing offers! **Zumba** – we are trialling Zumba for one month, if it's a hit we'll keep the class! A fun way to strengthen and tone the body and get the heart pumping! **Ladies Fitness** – a great way to keep fit, incorporate TRX, swiss ball and dumbbell work to keep the body mobile and strong! **BootCamp by 25 to Life Fitness** – runs in 6 week blocks! A fun, social way to reach your fitness goals! Outdoor / indoor training at it's finest! Phone us for more information!
